LIMPOPO PREMIER VISITS FAMILY OF FOUR ABDUCTED CHILDREN IN
POLOKWANE

The Premier of Limpopo, Mr Chupu Stanley Mathabatha, today visited the Moti family after their four children were kidnapped on Wednesday, 20 October 2021.

The Premier was accompanied by the two MECs entrusted with the task of uprooting Gender-Based Violence and Femicide in the province, Mavhungu Lerule - Ramakhanya (Transport and Community Safety) and Nkakareng Rakgoale (Social Development).

Premier Mathabatha is deeply concerned about the spate of violence against women and children in the province. He condemns these heinous acts and urges everyone to assist law enforcement agencies in bringing the perpetrators to book.

"As the Provincial Government, we are appalled by these ruthless deeds and we shall not rest until these criminals face the wrath of the law," Premier Mathabatha said.

The spokesperson for the Moti family said they are grateful for the Premier's visit as well as the prayers from all corners of the province. "We just need the boys back. That is all we are praying for."
