FOR IMMEDIATE RELEASE

APPLICATIONS FOR ADMISSION CLOSING ON THURSDAY 31ST MAY 2018

The Limpopo Department of Education hereby reminds all parents, guardians and caregivers that applications for the 2019 academic year closes this Thursday, the 31st of MAY 2018. The Department accordingly urges those that might not have applied or returned their application forms, to do so immediately and not wait for the last minute rush. Applications forms must be accompanied by correct documents which include birth certificate, immunisation card, transfer card and a report card if you're a South African citizen. If not South African, you must submit study or work permit, temporary or permanent residence permit from Home Affairs and evidence that you have applied for permission to stay in South Africa. This will enable schools to process all the applications with ease. With that in place, schools should be able to inform parents and guardians if their applications were successful or not, by the 30th June 2018.
