LIMPOPO GOVERNMENT CONDEMNS KILLINGS IN MOGALAKWENA

Limpopo Provincial government has condemned in the strongest terms the killing of two ANC leaders in the Mogalakwena Municipality yesterday.

“We are very saddened by this recent turn of events, and call upon the people of Mogalakwena to calm down as the police and other law enforcement agencies continue to find the culprits,” says Premier Mathabatha.

The Premier also called on the communities to assist law enforcement agencies to identify possible culprits who committed this dastardly deeds of shooting and killing **Mr Sanny Valtyn Kekana** and **Ralf Kanyane** by unknown gun men in Mokopane yesterday.

“As government we will do everything in our powers to make sure that service delivery to the people of Mogalakwena is never compromised because of differing political factions. We have in the past intervened in this Municipality and we will continue to do it. We are quite sure normality and hope will be restored soon.”, says Mathabatha.

Limpopo Police have assured government that their investigations are at a sensitive stage.
