Limpopo Government and Grace for Victors Church respond to the family in need

The family of Matlakala have been staying in a one-roomed shack with their three children for many years. Grace for Victors Ministries International Church identified the family's needs and built a three bed roomed house in a gesture of restoring their dignity. The children were also recipients of brand new school uniforms.

The Premier of Limpopo, Chupu Stanley Mathabatha together with Grace for Victors Ministries International Pastor Victor CEO Carzotah, will officially handover the house to the Matlakala family. It is through participation of both government and ordinary citizens that the enormous challenge of providing decent housing to the previously disenfranchised communities will be realized.

Details of a hand over of a house are as follows:

Date : 11 October 2017
Time : 12h00
Venue : Stand Number 973, Ga-Thoka Village next to Molamo Primary School
