

Limpopo Health commemorates Global Move for Health Day

9 May 2018

MEC for Health Dr Phophi Ramathuba invites members of the Media to join her as she will be championing this year's Global Move for Health day with the community of Botlokwa. The 10th May has been earmarked as the "Global Move for Health" and it is a global initiative wherein the communities are encouraged to participate and promote physical activities. Since this is a service delivery campaign, the department will also render its essential services on the day.

Department will commemorate the Global Move for Health Day as follows:

Date: 10 May 2018

Venue: Botlokwa hospital, main entrance [Molemole Municipality]

Time: 09h00

Issued by Department of Health
