### **A call to all National Senior Certificate (NSC) candidates to register for examinations**

Limpopo Department of Education calls all the NSC candidates to register to write examination in November 2016 on or before the **15<sup>th</sup> March 2016**. This call refers to all the candidates in the following categories:

- **First time full-time candidates:** These candidate register at their schools in a forms that indicate they are writing the NSC examination for the first time.
- **Repeat full-time candidates:** They also register at their schools on separate forms that will indicate they are repeating the NSC examination.
- **Part-time candidates:** These candidates register at the nearest Circuit offices and will be allocated identified schools for their examinations.

Irrespective of institutions they are writing from including the private one, **Part-time candidates** are all advised to register with government and government approved centers across the Province. **There is no fee paid to register for examinations.**

The Department recently completed registration of the Amended Senior Certificate candidates who write examinations in May and June for this year. These candidates are reminded to go to their centres and verify their registration status. This will include checking if their names are captured correctly and if indeed the subjects they register for appear correctly. The verification takes place on the **22 – 31 March 2016**. This will be followed by the finalization of the final examination schedule.

The Department wishes all candidates the best in their schooling work.
