Ndlovu Youth Choir in finals

Limpopo Premier Chupu Mathabatha has again congratulated the Ndlovu Youth Choir for reaching the finals of the America's Got Talent show last night.

'We have never doubted them, and i still believe they will win this show. Limpopo and South Africa will support them all the way', he said.

The Ndlovu Youth Choir has since the beginning of the year been making waves in the America's greatest talent show.

Yesterday's rendition of Whitney Houston's 'Higher Love' took them to the final of the show.

The group hails from Moutse village near Groblersdal.
