Prayers for smooth Grade 12 Examinations

It is now only 11 days to Grade 12 final Examinations. Today, learners across the Province signed the examination Pledge in which they committed to avoid and report all kinds of Examination irregularities.

The MEC for Education Ntate Ishmael Kgetjepe also signed his pledge together with learners of Taxilla Secondary School. Before Signing Honourable MEC read the pledge aloud while learners were following.

Interviewed learners at the school committed that they are getting all the support from teachers, parents and the community at large. This follows the MEC's message during the Launch of Exam Count down in Vuwani where he indicated the importance of the support Grade 12 learners' need from all community structures.

Indeed the MEC's call is received positively. The religious groups are also praying for the learners to work and perform better. This Sunday, the MEC will join in praying for smooth examinations as follows:

Venue: Upon The Rock Ministries

Mohlaletsi Village, Sekhukhune District

Date: Sunday 16 October 2016

Time: 9hoo

Issued by Communication Services

Contact: Naledzani Rasila
