**Limpopo Premier congratulates BarokaFC for advancing**

Limpopo Premier Chupu Mathabatha has congratulated the Limpopo outfit **BarokaFC** that trades in the NFD League for advancing towards semi-finals of the Nedbank Cup by beating fellow **Polokwane City** on Sunday afternoon.

The Premier who was at the Peter Mokaba during this fierce game, says although he would have wanted both to win, fortunately one of our won is again advancing to the semi-finals.

I think its our wish that we see Baroka and Orlando Pirates at the finals, and we pray those finals are played here in Polokwane, Limpopo, the Premier said.

The full house Polokwane stadium saw a fierce game, which saw BarokaFC taking the game to Polokwane City. Unfortunately the City boys were overwhelmed by BarokaFC who played like wounded lions. A 2 nil win takes them to the semi-finals.
