Premier Congratulates Limpopo soccer teams.

Limpopo Premier Chupu Mathabatha congratulates the three Limpopo based teams who performed well this season that ended yesterday.

Black Leopards, Baroka,, and Polokwane FC, managed to retain their status in the PSL, although after fighting tooth and nail.

'It is a pleasure to realise that we will still be represented within the PSL, and our people will continue to enjoy good football in the Province' ", he said.

The Premier also wished the best of luck to Tshakhuma tsha Madzivhandila(TTM)" a soccer outfit from Tshakhuma near Thohoyandou in Venda.

TTM is most likely to be promoted to the elite league if it performs well in the play offs this week.

'I call upon all Limpopo people to support our boys from TTM as they mount this hill. I have no doubt Limpopo will have four soccer teams in the PSL come next season, and that means more excitement, and more business for our SMMEs', he concluded.
