Date: 31 June 2016

Limpopo Premier leads EXCO Imbizo Outreach Programme

The Premier of Limpopo, Chupu Stanley Mathabatha and his MEC's will visit various communities in the province to intensify the outreach programme. The outreach programme will be held at Ephraim Mogale, Thulamela and Blouberg Municipalities respectively. Premier Mathabatha will be leading the programmes.

EXCO is reinforcing the President's call made during his State of the Nation Address that government must visit areas that are facing service delivery challenges. As the Limpopo Provincial Government, we remain resolute in listening to our community outcry and to intervene.

The aim of the programme is for government leadership to access first hand information. This is also a platform for communities to raise issues concerning service delivery and to allow the Government to intervene and provide solutions.

The Premier will be accompanied by MEC's, Executive Mayors of respective Districts, Local Mayors, the Acting Director-General of our Province and senior government officials.

Details of the EXCO Outreach Programmes are as follows:

Date : 03rd June 2016
Time : 09h00
Venue : Elandskraal Stadium, Elandskraal Township, Ephraim Mogale Municipality, Sekhukhune District Municipality
