Limpopo First Lady to distribute sanitary towels to Lesetsi Primary School

Limpopo First Lady, Maggie Mathabatha will tomorrow (27 September 2018) distribute ten (10) boxes of sanitary towels to Lesetsi Primary School at Gampahlele, Lepelle-Nkumpi Local Municipality, Capricorn District. This is an initiative made possible by Capricorn High School learners. They donated funds voluntarily towards the purchase of this towels.

The handover of sanitary towels is part of the Limpopo First Lady ongoing projects to ensure that girls shouldn't miss school due to their menstrual periods. The Capricorn High School learners manage to buy at least ten (10) boxes of which a box contains twenty-four (24) packs of sanitary towels, making it a total of 240. The First Lady has since adopted the Moshia Secondary School, which is located in Alma Farm, Vaalwater under Modimolle Mokgoophong Municipality.

"It is important that as a society we assist learners from underprivileged background. I salute the learners from Capricorn High School for their efforts in helping others. They have indeed heeded the President's call of "Thuma Mina Campaign". As the Patron of Limpopo First Lady Trust, I call on those who can lend a helping hand to the needy more especially the children, women and elderly persons to do so with", said Maggie Mathabatha.
