MEC KGETJEPE TO RECEIVE COMPLETED SCHOOL INFRASTRUCTURE PROJECTS

The Limpopo MEC for Education, Ishmael Kgetjepe, will tomorrow receive completed school infrastructure projects for Phagamang Secondary School, in Molemole Municipality. The handover is in partnership with Industrial Development Corporation of South Africa and Adopt -a-School Foundation who have done a lot of work in investing in Limpopo Schools over the past six years. These projects include the handing over of a newly built administration facility, physical science laboratory, renovated classrooms and ICT centre. The handover at Phagamang Secondary School will also serve as a celebration of all the work done by IDC and Adopt-a- School Foundation in three other schools, Tshivhase Secondary, Vhufuli Primary and Glen Cowie Secondary.

The Limpopo Department of Education believes that education is a societal matter; and this clearly indicates that the partnership will go a long way in alleviating some of the historical school infrastructure challenges.

Media is invited at the handover to be held as follows:

**Venue: Phagamang secondary School,
Bochum (Ga-Moleele-Overdyck)**

Date: 30 August 2018

Time: 10h00

Issued by Communication Services
