Limpopo Provincial Government hosts Public Service Excellence Awards 2020

The Provincial Government of Limpopo led by Premier Chupu Stanley Mathabatha will host awards ceremony to honour public servants who through dedication, determination and hard work go beyond the call of the duty to advance service in government spheres. This excellence awards ceremony uses as one of the momentous tools to encourage and motivate public servants to continue providing service to people. Moreover, encourage other servants to follow suit because it is important to inspire to aspire as association brings assimilation for betterment.

The awards involve all government departments with the exception of the Office of the Premier as the custodian. This is to support the notion of Batho Pele as government initiative that aims to enhance the quality and accessibility of government services by improving efficiency and accountability to the recipients of public goods and services.

All members of the media are invited to attend this event organised as follows:
