HEALTH MEC DR PHOPHI RAMATHUBA THANK ALL MEDICAL
SPECIALIST VOLUNTEERS ON THE RURAL HEALTH MATTERS
CAMPAIGN

Limpopo Health MEC Dr Phophi Ramathuba has thanked all the medical and dental specialists volunteers and all healthcare workers who were supporting them as they volunteer their services during the week long rural health matters campaign in the Mopani District.

The Medical specialists inclusive of Ophthalmologists, Orthopedics, Urologists, Plastic & Reconstructive Surgeons, Obstetrics & Gynecologists and Maxillofacialists spent the week clearing surgical backlogs and consulting all those who have been waiting to be seen in tertiary hospitals.

"As a department, we are grateful to see unity and commitment shown by our dedicated professionals who through their own volition go an extra mile in changing the lives of the patients and imparting their skills to other health care workers". Said MEC Ramathuba.

End.
