Limpopo First Lady Charity Golf Day was a resounding success

Limpopo First Lady, Ms Margaret Mathabatha, joined by her counterpart from Gauteng Province and her entire First Lady Trust staged a successful fund-raising charity golf day on Friday, 3 August 2018 at Kameeldooring Golf Estate in Mokopane

Ms Margaret Mathabatha says the Charity Golf Day raised more than the envisaged R1million on the day. The funds raised, she says, will be used for assisting destitute families identified in an endeavour to provide respectful shelter wherever they reside in the Province.

The first lady has in the past five years been able to build more than five houses across the Province. These houses handed over during the Domestic Workers Dinner events held by the First Lady, were all fully furnished.

More than 60 professional and junior golfers played in this event. Among dignitaries who played included Andrew Mlangeni, Major-General Enoch Mashoala, Joe Mathebula, Alvinah Papo, Solly Shoke and many others.

The Limpopo First Lady Charity Golf Day was sponsored by amongst others, Limpopo Connexion, Energy FM, IT giant Altech, Georosa Africa, In2IT Tech, Dark Fibre Africa, Old Mutual, Broadband Infraco, and Dengalanga Consulting.

The golf commenced 10h30, and concluded with a dinner that evening.

Issued by the Limpopo First Lady Trust
