

Media Advisory  
To all media houses  
08 October 2019

MEC Dickson Masemola will on Thursday, 10th October launch October Transport Month in the province. Transport Month is used to raise awareness on the important role of transport in the economy and to encourage participation from civil society and business, including the provision of a safe and more affordable, accessible and reliable transport system in the country.

The launch will officially kick start the month long transport related activities in the province, following the National launch by President Ramaphosa on the 5th October 2019.

Details of the launch:

Venue: Polokwane Weighbridge (R101)  
Date: Thursday, 10th October 2019  
Time: 10h00

All media houses are invited to attend.
