Limpopo MEC Namane Dickson Masemola will lead a high level government delegation to Zebediela (Moletlane)

The MEC for Transport and Community Safety, Mr Namane Dickson Masemola will lead a government delegation to a service delivery protest area of Zebediela.

A team of three MECs which includes MECs for Education, Ms Polly Boshielo and Public Works, Roads and Infrastructure, Dr Monica Mochadi has been constituted by the Premier to tackle the issues that led to the service delivery protest that has been going on for the past three months.

The community has been demanding a road in the area. They have since prevented the children from attending schools and this is an infringement of children's rights to education.

Government remains committed to listen and work with all stakeholders to resolve all challenges at all levels.

Several civil structures, traditional leadership, taxi associations and the entire community will meet the delegation to iron out their grievances.
