MEC Thabo Mokone to Officially Open the IAIAsa Conference

The MEC for Department of Limpopo Economic Development, Environment and Tourism, Thabo Mokone will officially open the 2019 International Association for Impact Assessment of South Africa (IAIAsa) Conference.

The three-day conference will amongst other things focus on Environmental Impact Assessment as well as sustainable development.

Sustainable Development implies the selection and implementation of a development option which allows for appropriate and justifiable social economic goals to be achieved without compromising the natural system on which it is based.

The Department aims to ensure that non-negotiable environmental thresholds are maintained, ecosystems are sustained, effective climate change mitigation as well as effective utilization of natural resources in line with the Environmental Impact Assessment and Management Strategy.

The Event will take place as follows:

Date : Wednesday, 21 August 2019 – Friday, 23 August 2019

Time : 08:00

Venue : Klein Kariba Resort, Bela-Bela Municipality, Waterberg District
