**Mid-year examinations get to Gateway subjects level next week**

The **5<sup>th</sup> June 2017** marks the beginning of the Gateway subjects as part of the mid-year examination in the Province for Grade 12 learners. Gateway subjects are coordinated and monitored by the Province while others are coordinated at districts levels. Gateway subjects include Mathematics, Physical Science, Life Sciences, Agricultural Science, History, Geography, Economics and Accounting and English FAL.

The general mid-year examinations cutting across all grades started on the 26<sup>th</sup> May 2017 and will be concluded on the 22 June 2016. Other subjects to be written next week include indigenous languages.

It has come to the attention of the Department that there are some people who are circulating the wrong Sepedi/Northern Sotho Paper 3 question papers for grades 10, 11 and 12. The Department likes to inform all districts and learners that these papers are only going to be delivered to districts tomorrow (2<sup>nd</sup> June 2017) and then taken to relevant schools.

On the other hand, it can be reported that the examinations across the Province continues to be well-coordinated and with all stakeholders supporting the learners there is hope to improve quality of education.
