

Minister Nkosinathi Nhleko visits three Public Works projects in Limpopo

10 Oct 2017

Public Works Minister Nkosinathi Nhleko and nine provincial Public Works Mecs visit three Public Works projects in Limpopo

Public Works Minister Nkosinathi Nhleko and the 9 provincial Public Works MECs will be visiting three Department of Public Works projects in Limpopo as part of the MinMEC (Minister and MECs) meeting to be hosted by the Limpopo department of Roads and Public Works.

The projects to be visited on the 12th October 2017 have created job opportunities for different communities, skills development and are bringing services to communities.

Members of the media are invited to join Minister Nhleko and the MECs during the visit of the three sites.

The projects to be visited are:

- Seshego Treatment Centre
- Ikageng Early Childhood Development
- Mothiba Clinic

N.B: Your attendance and coverage will be highly appreciated.

Please RSVP for logistics purposes.
