The Premier wishes to again thank posthumously Cde Joyce Mashamba for giving herself time to serve the people of Limpopo and of South Africa in various portfolios, but especially in her home Province of Limpopo. She won't be forgotten, and when the history of Limpopo government is written, her name shall be there. He also wishes to thank cde Onnica Moloji who was one of the youthful leaders in the Executive Council. She was energetic and executed her duties with sterling performance.

The Premier also wishes to welcome the new incumbents. "They are joining a well-oiled team that is serving the people of Limpopo with dedication. "I believe they will live up to the commitment of their oath, and know that one of the pillars of this administration is fighting against corruption with all that we have", he said.
