DEPARTMENT OF HEALTH TO HONOUR NURSES AND ALSO HOSTS A NURSES SUMMIT

Limpopo Department of Health will host a Nurses' Summit. The summit seeks to bring together nurses from all across the province to discuss the challenges and daunting obstacles faced by the nursing profession. The summit will allow nurses to come up with resolutions which they believe will assist them to better the health sector. The resolutions will be factored into the department's plans of continuously improving the health care service in the province.

The summit will start in a Gala Dinner in which MEC Dr Phophi Ramathuba will honour nurses who by their own conduct and performance, continue to epitomise the true spirit of the nursing profession. These are nurses who go beyond the call of duty to in order to provide quality health care to their citizens.

Media is also invited to join the Department as we honour the sterling work of our nurses scheduled as follows;
