INVESTMENT SCAM ALERT! - PREMIER'S FAKE FACEBOOK ACCOUNT

Limpopo Provincial Government would like to seriously warn the people of the province and beyond, of the scam that has been doing the rounds on social media platforms disguised as Premier Mathabatha's account. The social media post urges people to invest a certain amount of cash (R3000.00) for "greater rewards". Although it is profiled by Premier Mathabatha's picture, it is not his account. It is a fake account, created by mischievous people who are out to deceive and rob our people of their hard earned money.

Premier Chupu Stanley Mathabatha is the servant leader of Limpopo Province and will never be involved in anything that would derail developmental aspirations of the people of this province. This act is therefore frowned upon and condemned with the contempt it deserves. The Premier calls on all of you to be vigilant and not fall prey to these tactics. Please spread the message and let us help law enforcement agencies to bring this perpetrators to book.
