LIMPOPO PREMIER LEADS PROVINCIAL WOMEN'S DAY EVENT

Limpopo Premier Mr Chupu Stanley Mathabatha will lead the Executive Council in commemorating Women's Day on the 9 August 2022, at The Chuene Resort, Polokwane. This year's commemoration is held under theme: "women's socio-economic rights and empowerment: building back better for women's resilience".

The theme calls for stakeholders across the different spheres and sectors of society to focus on socio-economic factors impacting women's lives. These include women's educational levels; women's health; women's economic contribution, community safety as well as issues of Gender Based Violence among others.

This year, marks the 66 anniversary wherein the Federation of South African Women organised more than 20 000 women from all walks of life to march to the Union Building on the 9 August 1956 against the carrying of pass laws.

In the democratic dispensation, the day is focused on the country's progress towards gender equality and celebrates diverse contribution of women to the development of society and the economy. This day also provides a platform to reflect and evaluate women empowerment programmes in a quest to attain targets set out in Vision 2030
