LAST PUSH TO THE MATRIC FINAL EXAMINATIONS .

Limpopo Education MEC, Mavhungu Lerule-Ramakhanya will motivate hundreds of learners from the Sekhukhune East and West Education Districts ahead of the final matric exams. The two districts did not perform well in the 2021 matric final examinations. The Education Indaba convened by Premier Stan Mathabatha early this year, resolved on the additional support to struggling districts among other interventions.

The two districts had enrichment camps during school holidays while some were taken to camps outside their district for additional catch-up classes. The last push is aimed at boosting the matriculants' morale ahead of their final Basic education hurdle.
