MEC Nakedi Kekana urges Limpopo people to vote Idols superstar Thapelo

Limpopo MEC for Sport, Arts and Culture, Mme Nakedi Kekana is urging people across South Africa to vote top performer Thapelo Molomo to take Season 18 Idols trophy.

Thapelo Molomo, 29, an SAPS trauma counsellor originally from Mokopane near Polokwane in Limpopo, has since the beginning of Season 18 of this year's Idols edition been counselling through scintillating melodies, and this has taken him to the Top 5 of the much contested competition.

“ We have been watching him since the beginning, and are now confident that this Limpopo born son, will definitely take the crown, and that's why we urge everyone, not only from Limpopo, but across South Africa to choose the best, and the best now is Thapelo”, Kekana said.

Limpopo has for the past many years won or participated the Idols crown through different artists, and some of them are today top recording artists, including people like Mmatema.

To vote for Thapelo Molomo you send No 2 through and SMS, app, or Web to 37400.
