LIMPOPO HEALTH MEC DR PHOPHI RAMATHUBA TO OFFICIALLY HANDOVER THE
NEWLY REFURBISHED NORTHAM CLINIC

Limpopo Health MEC Dr Phophi Ramathuba will officially handover a newly refurbished Northam Clinic at Northam in the Waterberg District.

The refurbishment of clinic was made possible by the partnership between Limpopo Department of Health, Sishen Iron Ore Company, Community Development Trust(SIOC-CDT) and Dikuno Tsa Sechaba Development. Northam clinic was facing a challenge to accommodate the growing population of Northam community as they are able to service 4000 to 5000 patients per month.

"We appreciate the gesture in this government and private partnership towards the refurbishment of Northam clinic. This investment will go a long way in improving health care services to the community of Northam. We are confident that this newly refurbished clinic will be looked after and that health services for our people will be improved,"said MEC Ramathuba.

The official handover is scheduled as follows:

Date: Friday, 11 November 2022

Venue: Northam Clinic(Thabazimbi Municipality - Waterberg District)

Time: 10h00

End.
