HEALTH MEC DR PHOPHI RAMATHUBA TO WELCOME 408 INTERNS AND COMMUNITY SERVICE HEALTH PROFESSIONALS

Health MEC Dr Phophi Ramathuba will be welcoming 408 Interns and community service Healthcare Professionals which includes amongst others Medical, Clinical Psychologist, Pharmacist, Clinical support and Dentists at Bolivia Lodge, Polokwane Municipality in the Capricorn District.

The provincial workshop and induction will assist newly appointed health care professionals to understand what public service and its Batho Pele principles is all about. These cohorts of healthcare professionals who have just completed their studies and their appointments, will strengthen and improve the health service delivery in the province .

"We are happy to welcome these health care professionals and commit our support towards them. We also feel that it is important to welcome them to public service by orientating them to learn to appreciate the sensitivity of the department that they are joining, the department that doesn't have room to commit mistakes because they are irreversible since the results are usually loss of life" said MEC Ramathuba.

The provincial workshop and welcome event is scheduled as follows:

Date: Friday, 27 January 2023

Venue: Bolivia Lodge Polokwane (Polokwane Municipality - Capricorn District)

Time: 08h00

Media is invited.
