MEC NDALANE DISCHARGED FROM HOSPITAL

The MEC responsible for Social Development in Limpopo, Ms Nandi Ndalane has been discharged from hospital. Ndalane was admitted at the hospital for medical attention and observation following the car accident she was involved in together with her driver and protector on Wednesday this week.

Both Ndalane and the driver sustained minor injuries where Ndalane was admitted to hospital. The driver and the protector received medical attention and were released to recuperate at home.

Following her discharge Ndalane expressed gratitude to the gift of life as well as well wishes she received from South Africans during her time of recovery in hospital. She will be given time to recuperate at home and hope that she will be back soon to discharge her responsibility as the executing authority for the Department of Social Development. She insisted that no operation should be disrupted due to her absence at the Department

Ndalane looks forward to a fruitful year ahead.
