LIMPOPO MEC RADZILANI PROVIDES CLARITY ABOUT GOVERNMENTS ACTIVITIES
ON MONDAY, 20TH MARCH 2023.

Limpopo MEC for Transport and Community Safety, Mme Florence Radzilani, has instructed that a circular issued by her Department earlier on Friday, 17th March 2023, advising Government Employees 'to use Government vehicles and assets cautiously on Monday the 20th of March, be retracted'.

MEC Radzilani ordered for the withdrawal of this circular, because it might create the impression that Government is relenting, in the face of the threats of a total shutdown of the economy, by a certain political grouping.

She had emphasised that Monday, 20th March 2023, will be a normal day of business, just like any other day of the week.

"Instructing employees to use Government vehicles cautiously, might create the impression that Government is scared, by these idle threat", she said.

The circular which had cautioned against the use of Government fleet and Yellow machines, which are dedicated for service delivery purposes, had since been withdrawn, in its entirety.

End.
