Department of Public Works, Roads and Infrastructure placed under professional assessment.

Limpopo Premier Mr Chupu Stanley Mathabatha has appointed a team of professionals to assess issues of governance and leadership, financial management and service delivery in the Department of Public Works, Roads and Infrastructure.

It is against this background that the Head of the Department of Public Works Roads and Infrastructure, Mr. Seroka, has been seconded to the Department of Cooperative Governance, Human Settlements and Traditional Affairs, effective from 24 April 2023.

"We believe that the report of the appointed professional team will help the Premier to make an informed decision about the department," says Premier Mathabatha.
