LIMPOPO PREMIER TO PROVIDE POLITICAL OVERSIGHT DURING THE OFFICIAL HANDOVER OF SITE FOR THE CONSTRUCTION OF LIMPOPO CENTRAL ACADEMIC HOSPITAL TO THE CONTRACTOR

Limpopo Premier Mr. Chupu Stanley Mathabatha will on Monday 29 May 2023, provide political oversight during the technical handover of site for the construction of the Limpopo Central Academic Hospital to the contractor.

The construction of the Limpopo Central Academic Hospital is currently undertaken and funded by the National Department of Health on behalf of the Limpopo Department of Health. The social facilitation of the project has been underway since 2022, and the pre-implementation process was completed on 29 May 2023. This was done to enable the contractor to commence with the process leading to site establishment by June 2023.

"Our dreams as people of Limpopo are coming close to reality. The commitment we made over the years is finally coming to fruition. We are glad that upon completion our province will have a purely tertiary healthcare institution, rendering specialised and highly specialised services to medically referred patients," said Premier Mathabatha.

The MEC for Limpopo Department of Health, Dr Phophi Ramathuba will join the Premier at the handover. The technical site handover is scheduled as follows:
