LIMPOPO GOVERNMENT PARTNER WITH UNIVERSITY IN THE FIELD OF RESEARCH

Limpopo Provincial Government in partnership with University of Limpopo, University of South Africa, University of Venda, and Tshwane University of Technology will be hosting its annual Limpopo Research Forum (LRF) from the 15-16 February 2024 at the Ranch Hotel. The forum will be hosted under the theme: ***“Advancing Economic Renewal through Research: Growing Limpopo Together”***.

LRF was established to provide a system to facilitate and coordinate research within the province. It serves as a platform for sharing best practices among stakeholders in support of research. Its primary goal is to offer researchers in the Limpopo Province, serve as a platform to share ideas, experiences, and research trends. It aims to provide the basis and empirical evidence for the province’s future planning, policymaking, monitoring, and evaluation of service delivery improvement.

Over hundred participants, including presenters will be in attendance. Oral and poster presentations from academic and research institutions as well as government departments will be presented. Stakeholders will showcase their research work and products in an effort to expand their horizon.

Proceedings will be streamed live on social media platforms to allow those who will not be able to attend physically to join in the discussions. This includes members of media. NB: The link will be provided at a later stage.
