PREMIER DR PHOPHI RAMATHUBA TO CONTINUE WITH THE "DIKGEREKGERE WEDNESDAY" SERVICE PROVISION PROGRAMME IN MOPANI DISTRICT.

Limpopo Premier Dr Phophi Ramathuba, will lead Mopani Chapter of the Dikgerekgere Wednesday service provision programme at Maphata village on road D3842 under the Greater Giyani Local Municipality.

The Premier successfully launched the programme in Waterberg District, which statistically has the most gravel roads in the province. Furthermore, last week Tuesday Premier Ramathuba together with MEC Rachoene continued with the programme in Madonsi Road D3647 under the Collins Chabane Local Municipality.

The Dikgerekgere Wednesday Programme aims to revitalise the province's road infrastructure through blading, regravelling and de-bushing. Given that most of the roads in the province are gravel, this initiative ensures roads remain in good condition and safe for all road users.

The event is scheduled as follows:

Date: Tuesday, 23 July 2024
Venue: Road D3842 Maphata Village -Greater Giyani Local Municipality
Time: 10h00
