RE: DIKGEREKGERE WEDNESDAY PROGRAMME FOCUSES ON TOURISM SUPPORT

The Premier of Limpopo, Dr Phophi Ramathuba, will take #DikgerekgereWednesdays to roads leading to tourist attractions during this tourism month. The Premier, who will be accompanied by the MEC for Public Works, Roads and Infrastructure, Mr Ernest Rachoene and MEC for LEDET Mr. Tshitereke Matibe, will focus on road D3682, a road leading to Nwanedi-Luphephe Resort in Musina Local Municipality, Vhembe District.

Yellow Fleet will be lined up in Gumela Village to start with the maintenance of the road moving towards Musunda village and to the gate of the Nwanedi-Luphephe Resort.

This special focus is one of many that will happen across the province even beyond tourism month as these road networks are critical for economic growth of the province through tourism activities.

So far, the #DikgerekgereWednesdays have made a mark across all Limpopo districts, blading, gravelling and debushing various gravel roads to make life residents easier and accessible.
