Limpopo Provincial Government Works on Resolving Great North Transport Pension Fund matter

The Limpopo Provincial Government would like to bring to the attention of the media that it is currently in negotiations with the current and former employees of the Great North Transport (GNT), relating to matters of pension fund administered by the entity under the Limpopo Economic Development Agency (LEDA). The employees are represented by Mr Harry Masindi of Make It Happen Foundation (MIHAFO).

The Provincial Government has established a working team led by the Director General Mr Nape Nchabeleng, comprising representatives of current and former GNT employees, Limpopo Provincial Treasury, Limpopo Economic Development Environment and Tourism (LEDET), LEDA and GNT.

At the centre of the committee is the need to find resolution on what may be outstanding pension payments owed to former and current employees.

At the end of negotiations, both parties will issue a joint statement to update the public on what agreements shall have been reached.
