## LIMPOPO PREMIER TO MEET WITH DROUGHT- STRICKEN FARMERS

The Premier of Limpopo, Dr Phophi Ramathuba, will meet with drought-stricken farmers in parts of the Mopani District on Sunday, 13 October 2024.

The meeting follows a thorough assessment of the challenging conditions faced by farmers in the Mopani and Vhembe districts, where prolonged dry spells have left the land parched and grazing fields for livestock nonexistent.

The premier will use this opportunity to make interventions, which includes amongst others handing over temporary relief packages.

"We are fighting against a natural phenomenon here; our prayers are that it rains soon. In the meantime, we need to assist these farmers to stay afloat with some resources we have been able to gather," stated Premier Dr Ramathuba.

Additionally, the Premier announced that further supplies will be dispatched to farmers in the Vhembe and Mopani areas starting next week.
