PREMIER TO UNVEIL NEW HEAVY EARTH MOVING MACHINERY FOR ROADS INFRASTRUCTURE MAINTENANCE

The Premier of Limpopo, Dr. Phophi Ramathuba, will officially unveil the newly procured yellow fleet of heavy earthmoving machinery aimed at enhancing the maintenance of Limpopo's provincial road network.

This new fleet will augment the existing machinery and accelerate the #DikgerekgereWednesdays service delivery initiative, which focuses on blasting gravel roads, regravelling, and clearing road reserves.

This significant investment will enable faster and more efficient maintenance of both paved and unpaved roads, improving travel comfort for road users across the province. Furthermore, this procurement initiative is set to create additional job opportunities within the roads infrastructure sector.

Members of the media are invited to cover the event as follows:

Date: 9 December 2024

Time: 10:00

Venue: Old Peter Mokaba Stadium, Polokwane
