LIMPOPO PROVINCIAL GOVERNMENT TO PARTICIPATE IN THE LIMPOPO 3rd ANNUAL PROVINCIAL RESEARCH CONFERENCE

The Premier of Limpopo, Dr Phophi Ramathuba will lead the Provincial Government at the annual Limpopo Research Conference on 12 to 14 February 2025.

The conference will be held under the theme: “Innovating for Inclusive Growth: Bridging Science, Technology and Policy for Sustainable Development” with sub-themes such as transformative technologies for economic resilience and innovations in healthcare for improved public health outcomes.

This conference will generate innovative knowledge systems that may assist the Provincial Government to enhance usage of science and technology in identifying key development needs to address critical challenges of poverty, inequality and infrastructure.

The conference will be held in collaboration with the South African Association of Public Administration & Management (SAAPAM), the University of Limpopo, Tshwane University of Technology, University of South Africa, University of Venda and Statistics South Africa.

Media houses are invited to cover the conference proceedings scheduled as follows:
