**RACHOENE TO CONTINUE WITH SERVICE DELIVERY MONITORING  
INITIATIVE ON THE GROUND**

Limpopo MEC for Public Works, Roads and Infrastructure Ernest Rachoene will be leading the service delivery monitoring initiative on the ground.

This initiative is to ensure that the #DikgerekgereWednesday programme output of blading, regravelling and debushing is accelerated.

Team Public works will descend on road D977, silicon road, connecting Ga-Maja, Mothiba Ngwana Mogo and Ga-Mothapo villages, just outside Polokwane in Capricorn district.

The Silicon Road D977 is a strategic route as it connects Polokwane with several villages in the Ga-Maja area in Capricorn District. Various other teams are working tirelessly from the department's 36 cost centres in making critical roads drivable. The department remains committed in ensuring that our #DikgerekgereWednesdays programme reaches all our communities.

Date: 19 March 2025

Venue: D977 route

Time: 12:00
