## LIMPOPO GOVERNMENT TO COMMEMORATES 31 YEARS OF FREEDOM IN THABAZIMBI MUNICIPALITY

The Limpopo Provincial Government will join millions of South Africans in commemorating 31 years of freedom under the theme, “United in Resilience for The Defence of Our Freedom and Democracy” in Northam, Thabazimbi Municipality on 27 April 2025.

Freedom Month (April), commemorates the historic occasion in 1994 when South Africa achieved freedom and democracy, where all its citizens became free from the discrimination and oppression, moving away from hatred, divisions and painful past.

“As we mark 31 years of freedom, we must renew our commitment to building a just, equal and inclusive society. Our democracy must translate into tangible change in the lives of ordinary citizens, especially the youth, women and the most vulnerable through accelerating transformation in rural and urban communities in strengthening economic growth,” said Premier Dr Phophi Ramathuba.

The Freedom Day commemoration in Limpopo is scheduled as follows:

Date : 27 April 2025  
Venue : Northam RDP Stadium,  
Thabazimbi Municipality, Waterberg District  
Time : 09:00

The commemorative event will be characterised by a morning recreational walk as a quest to encourage active-healthy living, preceded by a vibrant cultural programme showcasing the province’s rich diverse heritage, as well as key government messages.
