## LIMPOPO GOVERNMENT PARTNERS WITH INSTITUTIONS OF HIGHER LEARNING TO COMMEMORATE AFRICA DAY

The Limpopo Provincial Government in partnership with the University of Venda (UNIVEN) and the University of Limpopo (UL) will join the rest of the continent in commemorating Africa Day at the Thohoyandou Town Hall, Thulamela Municipality on 25 May 2025.

This year's theme, "Building Africa we Want Through Solidarity, Equality & Sustainability" underscores the country's commitment to addressing historical injustices such as apartheid, racism and xenophobia among others within the African communities.

The celebration provides an opportune platform to promote social cohesion and nation building in the province and the country at large. Premier of Limpopo, Dr Phophi Ramathuba, will deliver a keynote address during a momentous occasion of identity and heritage, further cementing the significance of culture preservation, arts as an economic fuel and a thriving, united nation.

The programme of the day includes a recreational walk to promote healthy living, cultural parade displaying the province's diverse tapestry and rich heritage, as well as local choirs mesmerising the audience with harmonious African melodies. Additionally, services on wheels will be provisioned on the day by various government departments to community members through exhibition stalls.

Media are cordially invited to join and cover the celebration as scheduled:
