Premier Dr Ramathuba to Lead Provincial Teams to Tzaneen's Mojeteng Village for Service Provision

On 05 July 2025, Premier of Limpopo, Dr Phophi Ramathuba, will head to Moime Clinic in Mojeteng Village, Tzaneen, accompanied by provincial teams from the Departments of Health, Social Development, and Home Affairs. This initiative aims to provide residents with access to various essential services throughout the day.

The impetus behind this outreach is the need to assist centenarian Koko Mmakoto Maenetja in obtaining a Smart ID. Premier Dr Ramathuba expressed her concern, stating: "When we learned that Koko Maenetja had lost her green identity document and was unable to replace it promptly - therefore missing out on three months of her old-age grant - it was heart-wrenching. We realised that we needed to intervene to ensure she receives her smart ID."

Highlighting the broader impact of this initiative, Premier Dr Ramathuba added: "It became evident that Koko Maenetja may not be the only one facing challenges in the area. Thus, we have mobilised our resources to spend the day in the village, assisting residents in accessing government services."

Joining the Premier will be MEC for Social Development, Ms Florence Radzilani; MEC for Health, Ms Dieketseng Mashego; Executive Mayor of Mopani District Municipality, Cllr Pule Shai; Mayor of Tzaneen Municipality, Cllr Gerson Molapisane; along with officials from the Department of Home Affairs.

The following services will be available at Moime Clinic from 08:00 to 15:00:

- Application and collection of Smart Identity cards;
- Application and collection of Smart passports;
- Application for registration of births; and
- Department of Health's Cheka Impilo Services

Additionally, there will be an opportunity to visit Koko Maenetja at her home, where the Premier will present her with her Smart ID card.
