**PREMIER DR RAMATHUBA TO VISIT INCOMPLETE ROADS D15, D3150 AND D3232  
FROM MOREBENG TO SEKGOSESE WHOLESALE**

The Premier of Limpopo, Dr Phophi Ramathuba, will visit the incomplete Roads D15, D3150 and D3232 on Wednesday, 09 July 2025. These vital roads connect the Molemole Municipality with the Greater Letaba Municipality and have been a point of contention since construction began in 2017.

Originally scheduled for completion by August 2022, the project has encountered significant setbacks, particularly concerning the finishing of bridges and a remaining stretch of approximately 3.2 kilometres. Despite previous assurances made to President Cyril Ramaphosa in April 2022 about its timely completion, progress has been stagnant.

In her recent statements, Premier Dr Ramathuba emphasised the urgency of this visit, stating: “I won’t be able to face the President without progress on this road. It is for this reason that I will make a physical inspection to understand the challenges that have impacted this project for such a long time. The aim is to get this road concluded immediately.”

During the visit, the Premier will be accompanied by the MEC for Public Works, Roads and Infrastructure Mr Ernest Rachoene and the Chairperson of Roads Agency Limpopo, Mr Moss Tseli, and senior officials from the department. They will engage with various traditional leaders along the route and other stakeholders to identify and address the bottlenecks hindering the project's completion.

Date: Wednesday, 09 July 2025

Venue: Greater Letaba Municipality, Mopani District, moving to the site of the roads

Time: 09h00
