LIMPOPO PROVINCIAL GOVERNMENT LAUNCHES THE WOMEN'S MONTH IN MOGALAKWENA

The Limpopo Provincial Government will, on 01 August 2025, launch a programme of activities for the 2025 Women's Month under the theme "Building Resilient Economies For All."

The launch will be held at Church of the First Born, Mogalakwena Municipality, Waterberg District.

August serves as an important month for continual reflection and action in the pursuit of women's empowerment, justice, and gender equality.

On 09 August 1956, approximately 20 000 women driven by courage and resilience, marched to the union building to fight against female oppression, injustice, and economic exclusion.

On the day of the launch, the Limpopo Provincial Government will roll-out a programme of activities that will be implemented throughout the month, beyond the annual commemoration on the 09th of August. They will be centred around essential aspects such as digital finance and bridging the credit gap for HER, support of women led enterprises, and GBVF prevention through education and community engagement, just to name a few.

Media are invited to join the launch as follows:

Date: 01 August 2025

Venue: Church of the First Born, Mogalakwena Local Municipality, Waterberg District

Time: 11h00

Issued by the Limpopo Provincial Government
