LIMPOPO PROVINCIAL GOVERNMENT WELCOMES G20 HEALTH MINISTERS

Premier Dr Phophi Ramathuba will welcome the G20 Health Ministers to Limpopo Province on 06 November 2025 for the last G20 Meeting before the much-anticipated G20 Summit.

The G20 Health Ministers Meeting serves as a defining moment for global health governance to fulfill objectives of strengthening achievement of universal health coverage. The looming pandemics and global warming threatening the world necessitate an approach of this calibre and magnitude.

“Limpopo is honoured to host ministers from the G20 countries as well as dignitaries who played a critical role during the worst pandemic to ever befall humankind in recent history. As a province we hosted the inaugural G20 Outreach Programme, Agricultural Scientists as well as IT technical meetings and now we are hosting the last G20 meeting before the G20 Summit, which will be held later this month in our country. We shall do our best to be a good host for the two days the ministers are here,” Premier Dr Ramathuba said.
