MEC MASHEGO TO OFFICIALLY OPEN REFURBISHED ELLISRAS EMS STATION

The MEC for Health in Limpopo, Ms Dieketseng Mashego, will on Tuesday, officially open the newly refurbished Emergency Medical Services (EMS) station at Ellisras Hospital.

The refurbishment of the EMS station forms part of the Department's ongoing commitment to strengthening emergency medical response systems and improving access to quality healthcare services across the province.

The upgraded facility is expected to enhance the operational efficiency of EMS personnel, ensuring faster response times and improved patient outcomes for communities in and around Ellisras.

The modernised station boasts improved infrastructure, upgraded equipment, and a more conducive working environment for emergency medical practitioners who play a critical role in saving lives.

Members of the media are invited to attend the official opening as follows:

Date: Tuesday, 21 April 2026

Time: 10h00

Venue: Ellisras Hospital, Lephhalale Local Municipality, Waterberg District

MEC Mashego will be joined by local government representatives, traditional leaders, departmental officials, and community stakeholders.

ENDS.
