PREMIER TO CONDUCT OVERSIGHT VISIT TO LETABA HOSPITAL

Limpopo Premier, Dr Phophi Ramathuba, will on Tuesday, 28 April 2026, undertake an oversight visit to Letaba Hospital in the Greater Tzaneen Local Municipality, Mopani District.

The oversight visit forms part of the Premier's ongoing commitment to strengthening healthcare service delivery across the province and ensuring that key infrastructure projects are implemented efficiently and within set timeframes.

During the visit, the Premier will assess the progress made towards the establishment of the renal unit, following previously issued directives and deadlines to the Department of Health and hospital management. This critical facility is expected to significantly improve access to specialised renal care services for communities within Mopani District and surrounding areas.

The visit will also include a briefing on the clinical management and condition of the surviving triplet, following the unfortunate passing of two infants. The Premier will be updated on the specialised medical care being provided and the measures in place to support both the patient and the affected family during this difficult time.

The visit is scheduled as follows:

Date: Tuesday, 28 April 2026

Venue: Letaba Hospital, Greater Tzaneen Local Municipality, Mopani District

Time: 12h00

Ends/
