PREMIER DR RAMATHUBA TO MONITOR PROGRESS IN CONSTRUCTION OF LETABA HOSPITAL RENAL UNIT

Limpopo Premier Dr Phophi Ramathuba, together with the MEC for Health Ms Dieketseng Mashego will, on Wednesday, 28 July 2026, conduct a visit to the Letaba Hospital in Greater Tzaneen Local Municipality, Mopani District to monitor progress on the construction of the critically awaited Renal Unit at the facility.

Premier Dr Ramathuba had earlier in the year visited the facility and committed that she will put a close watch on the progress until the unit is fully completed.

This visit forms part of the Provincial Government's ongoing commitment to decentralising renal services and improve access to critical healthcare services. Once completed, the facility will ensure that patients access life-saving treatment closer to their communities without the burden of travelling long distances in the early hours of the day.

The facility will further reduce pressure on Mankweng and Pietersburg Tertiary Hospitals where the community of Mopani District would ordinarily receive the much-needed renal treatment.

Details of the visit are as follows:

Date: Wednesday, 29 July 2026

Venue: Letaba Hospital, Greater Tzaneen Local Municipality, Mopani District.

Time: 11:00

Ends/
